

NAB Black Streak and Tire Mark Remover

NAB Black Streak & Tire Mark Remover was designed specifically for industrial use in hard-to-clean situations, and is specifically formulated not to damage floors. It comes ready to use and was designed for use as a spot treatment, prior to applying *NAB 9000 All Purpose Degreaser/Floor Scrub* for complete floor cleaning. *NAB Black Streak and Tire Mark Remover* is an effective way to remove tire marks and other extreme dirt spots on concrete floors. This product is great at cleaning heavy traffic areas and is extremely effective at removing tough debris, while being gentle on floors.

NAB Black Streak and Tire Mark Remover is safe on all concrete or epoxy floor surfaces, which are sealed or unsealed. It can be safely disposed of after your job is completed.

Note: *NAB Black Streak and Tire Mark Remover* can also be safely used in removing black streaks on RVs, buses, boats, semi-trucks, etc.

Where to use NAB Black Streak and Tire Mark Remover:

- Auto Repair Shops and Workshops
- Grocery and Department Stores
- General Manufacturing Sites
- Airplane Hangars

- Home Improvement Stores
- School Buildings
- Tool and Die Facilities
- Warehouses

How to Use NAB Black Streak and Tire Mark Remover:

- Mop and Bucket
- Manually, Scrubbing with a Brush
- Spray Bottle

NAB Black Streak & Tire Mark Remover is considered to be non-hazardous as defined by OSHA 29 CFR 1910.1200. It contains no chemicals considered to be reportable under EPA SARA Title III Section 313.
