

NAB MARINE Citrus Bilge Cleaner Concentrate

NAB MARINE Citrus Bilge Cleaner Concentrate is a neutral pH, aqueous-based, hard surface cleaner and degreaser. It has been proven to be very effective as a general-purpose, low foaming degreaser. With its pleasant orange fragrance, use **NAB MARINE Citrus Bilge Cleaner Concentrate** to tackle your everyday general maintenance or your hard-to-clean bilges. It is earth-friendly, non toxic and biodegradable, and can be safely disposed of after your job is completed.

Where to Use NAB MARINE Citrus Bilge Cleaner Concentrate:

- Bilge Cleaning
- General Purpose Cleaning

How to Use NAB MARINE Citrus Bilge Cleaner Concentrate:

- Dilute at a 10:1 to 40:1 ratio, depending on the amount of soil to be removed, using warm water if possible
- Pour dilution into bilge; use spray bottle or power washer to clean other general areas

For the most effective cleaning results, use warm water (80°-120°F). Do not add bleach or any other cleaning chemicals.

NAB MARINE Citrus Bilge Cleaner Concentrate is considered to be non-hazardous as defined by OSHA 29 CFR 1910.1200. It contains no chemicals considered to be reportable under EPA SARA Title III Section 313.
