

NAB MARINE All Purpose Boat Cleaner Concentrate

NAB MARINE All Purpose Boat Cleaner Concentrate is an all purpose degreaser sold in concentrated form with a 7.0 pH, low foaming surfactant. It's so safe to use that it is approved for use in areas where food is prepared and was developed with food prep areas and general cleaning in mind. This aqueous-based, neutral pH balanced surfactant is free rinsing and will not adversely affect any hard surface finishes. It can be used in a wide variety of applications ranging from general housekeeping to cleaning areas where food is prepared. **NAB MARINE All Purpose Boat Cleaner Concentrate** is safe on all boat surfaces. It is earth-friendly, non toxic and biodegradable, and can be safely disposed of after your job is completed.

Where to Use NAB MARINE All Purpose Boat Cleaner Concentrate:

- Galleys and other areas where food is prepared or served
- Bulkheads, Decks, Gangways, Heads and other soiled boat surfaces
- Power Washing Piers and Decks

How to Use NAB MARINE All Purpose Boat Cleaner Concentrate:

- Dilute at a 10:1 to 40:1 ratio, depending on the amount of soil to be removed, using warm water if possible; wipe or scrub with brush, rag, sponge or pad

For the most effective cleaning results, use warm water (80°-120°F). Do not add bleach or any other cleaning chemicals.

NAB MARINE All Purpose Boat Cleaner Concentrate is USDA approved. It is considered to be non-hazardous as defined by OSHA 29 CFR 1910.1200. It contains no chemicals considered to be reportable under EPA SARA Title III Section 313.
